“ *Kathy was the closest friend I ever had in Valpo. She was the person your could go to, and she would come to me. We shared a lot of things together, we cried together, we laughed together. She and her family will always be special in my heart. To the family, you had a wonderful mom who was close to God and her children. I will miss her, she'll always be in my heart. Love to you all, Connie Lewis*

Like my mom, my childhood is full of such warm, wonderful memories of Mrs. Fourman, mom to my very first, very best friend in the whole world-Brenda. My heart aches for your loss and the pain you all are experiencing. You are all in my thoughts & prayers. And Brenda, as always I am here for you!! Much Love, Robin

I loved Kathy very much. We really got to know each other when we worked together for weeks on our church's 75th anniversary. We shared the first church we attended and all the pastors we knew and all about our families. We had so much fun putting all the pictures together on poster boards. She was a dear friend, and I will miss her dearly. Dee Topper
