“ *Dear Carla and family,
My prayers are with you at this difficult time. I always think of him as a young altar server. He helped out for years and was always there for us. We watched him grow and it is heart breaking to hear of his passing at such a young age. He is with God now and hopefully has found peace. From all of us at SS Peter and Paul who remember him so well, God be with you and his family, friends, and fiancé.

“ *Carla,
My heart is broken for you and your family and pray for Gods presence to guide you during this time. I can't imagine going through what you are going through.
You have our deepest sympathy.
Silly, giggly and beautiful red headed Vincent is how I remember him, while I taught Religious Ed and watching him grow up with Joey's class.
It was my privilege to have known him.*
