“ *So sorry to hear about Mr. Stinar's passing. I took care of him for a little over a year Mon-Sat. He cared so much about his family and shared some great memories with me of his family and pictures. He showed me black and white photos from Gary, IN and told me all about his brick laying days. His love and devotion for his family was amazing. May He Rest In Heaven. I will never forget Mr. Stinar and some of his family I got to know during my time taking care of him. His Son Don and wife Kathy. His daughter Debbie and granddaughter Ashley and family His niece from CP. Just know you got a angel watching over you now. I'm sharing a picture I took of celebrating his 92nd birthday together. Great memories God Bless, Wendy M.*
