“ We were very sorry to find out that your Mom passed away. Our Mom, Joan K was friends with her at Bickford. Wanda was one of our Mom's tablemates. And it is ironic that Wanda passed almost exactly a year after our Mom passed. They both had a love of birds. It was always interesting to hear her life stories. Our sympathy to all of you. We know how much you must miss her.

“ When I first met Wanda, I thought she was going to have a "serious" personality and I was going to have to work at breaking through to create a relationship. Boy, was I wrong!! Before long, we were laughing so much we had tears rolling down our cheeks. I had the privilege to maintain her finch and hummingbird feeders and we enjoyed watching the birds. I, too, am a big Hallmark movie fan so we chatted about our favorites (and not so favorites). Every morning, I looked forward to greeting her, and the first thing that caught me eye was the earrings she had in.....she had sooooo many pairs I don't think I saw her wear one pair more than once! I truly miss Wanda and am so thankful that our paths crossed. My thoughts and prayers are with you Pam and Linda, and extended family. Much love, Tammy.
