“ I am a distant cousin on the Dalton side of the family. Jean found me on Ancestry.com a year and a half ago. I was unaware of her passing, as I live in WV. Today, I was filling out a Christmas card for her when I wanted to reach out regarding her address. I feel so bad that I didn't know of her passing. My condolences to her family.

“ I feel terrible. This had happened and nobody told me. I lost the love of my life in July and had been so caught up in my own loss, I failed to see anything. I even sent her a birthday card but nobody let me know she had died . Forgive me Jean -- I miss you.
