“ My favorite memory is one that brings a smile and laughter when I think of Buff. Our infamous face time calls were always so much fun. But the best one ever was when I noticed she was face timing and driving after she had picked up Culver’s. I made a promise to not tell anyone and we shared a good laugh together. Little did she know I snapped a screenshot of her, I mean I couldn’t help it! Buff was an amazing person, with a beautiful soul. It is reflected in all of her children and grandchildren. She will be deeply missed and my condolences are with all of her family and friends. Love you always Buffy.
