“ I remember Wendy from Central Elementary School. She was a couple of years older than me and I never got to know her but I wish I would have. Rest in Peace Wendy.

“ Wendy was such a bright spirit. I can truly say she was someone I looked forward to seeing every day. Her way of teasing you, or the way she got excited about who she was excited to see at workshop, or that silly laugh where she hid her face with one hand, are things I will continue to miss everyday. Wendy is loved by so many of us. Rest in peace my sweet wendy girl. ❤️

“ Dear Jan and Chuck,
I saw the obituary in the paper and want to say how sorry Bob and I are for your loss. We didn't know Wendy, but I remember when we were very young, you having her and Sarah. Where has the time gone? Please know, that even though we have not kept in contact, I have thought of you both many times and have a lot of good memories. Please accept our condolences.
With sympathy, Bob and Sandy Burns
