“ I talked to Wes about once a month. Just to keep in touch now that we are busy adults and can't hang like we did when we were young - and he didn't respond. So I googled him hoping this isn't what I would find out - but, this is what I found this morning. My heart is shattered.

“ *Dear Frank, Gladys and family, we are so devastated to hear about Wes as we watched him grow up from a sweet, young boy to a very kind man who always gave my mom and I a big hug when we came into Century 21 and Accent Homes. He always was so nice and gracious. Our thoughts and prayers and condolences are with you during this difficult time. Sandy and Betsy*

“ Wes, you were by far one of the nicest people on the planet. You were always generous, supportive, and also had a lot of talent with playing guitar and singing. I remember one time when I was talking to you through the live chat when you were streaming and I requested that you sing 'Sledgehammer' by Peter Gabriel. So you did and you did it beautifully. Your children are definitely going to be in my prayers, as well as the rest of your family. You will always be remembered dear friend, fly high and never stop rocking. Love you, mighty Icelord. 💙🌹

“ Wes was one of a kind.
He was always supportive.
I'm going to miss our chats.
I remember when he asked me what my real name was and told him. He said "Wow that's my daughter name" and we've been cool ever since.
He will forever be missed.
