“ I met bill when we were both very young, 5th grade I think before he started growing. I remember that when did started growing he contracted “osgood schlatters decease” the doctors put a full length cast on his leg for months, but Bill didn’t let that hold him up. He always liked that his roots were from Georgia and talked of it often, he loved watching “ the Ducks of hazard “. I always think of Bill When I hear “Dirt” from “Florida Georgia Line Band” Bill came from a great family, got to know them well. I’ll be missing our phone conversations, but I now I’ll be seeing you again. Rest with peace brother!

“ Bill has been my friend since 2011. He was also my employee. He was a great paint and body salesman, helpful to thousands of do-it-yourselfers around LaPorte and surrounding counties over the 7 years he worked at Owens Motor Supply. We even taught him to work the other side of the counter so he could help out the mechanics also. He also was a good friend to all and tried to do anything he could when there was a problem or a need. I recall a few years ago he literally gave me the coat off his back. After he left my business we still spent a lot of time going out to have fun. Bill, as everyone knows, loved to have a great time. He really loved living near the beach in Michigan City, many of his nights were spent at the beach for the sunset, or at the Park band shell here in LaPorte listening to bands with myself and my family. I have so much more I could say about Bill. I will leave this tribute with this. The man loved his mother with all his heart and would make almost daily trips to see her, sometimes taking hours. Big Bill, my family will miss you forever.
