“ Our thoughts of heartfelt sympathy continue to be with your family for the loss of Bill. There aren't any words that can erase the pain of losing someone that we love dearly but may God continue (Ps.34:18) to give you the strength needed to cope each new day. Our loved ones may be gone from our touch but never are they ever gone from the special place held for them in our heart.

“ Billy was my only brother.....I miss him so much already. Life is never going to be the same. I have to find the new "normal" without him & our dad. I KNOW that he is resting in Heaven with dad, Bruno. Grandma Shirley, Aunt Nancy, Uncle David and Butch; and all the other family members and friends that we have lost throughout the years. I don't know exactly what he was going through; but I'm very familiar with the loss of Hope. I told Billy that God said "as long as there is Life. there Is Hope". I have to remember that too. He left behind our mother, and his children (Nick, Holly and Reagan). We will all make it through this....and I know that He's with us. I Love you Big Brother. Always & Forever.

“ My deepest sympathy to Bev, Stacey and kids. I will always remember Bill as a kind and caring man. Have fond memories of him as a kid at family reunions and boating and playing on the shores of Lake Michigan. Every time I saw him in the past few years he would always beam with with pride when he spoke of his children who were so very dear to him. He was a good man who will be missed by so many. Rest in peace Bill. Cindy Cantrell and Christy.

“ I have told people throughout the years, when telling stories about our kids, about the time you rode your bike at the age of around 5, to grandma's. You had to cross very busy streets and go over a bridge, it was a long ride. Me and gram were sitting on the porch and she saw you, looking all proud, and started yelling and didn't stop till we got you back home. I know you weren't my kid but I always included that story, it's one off my favorite memories of you. Rest now, have fun again and ride that bike. I love you cousin.

“ The tide recedes but leaves behind bright seashells on the sand. The sun goes down, but gentle warmth still lingers across the land. The music stops, and it echoes on sweet refrains. For every joy that passes, something beautiful remains. Cousin, that beauty you left for us in this world will remain in the memories we shared and created with you.
RIP my baby cousin.

I tortured him when we were growing up calling him Billy Bob. That is who he will always be to me.
