“ We will never forget the kindness and love Bill has given to our family. As a neighbor, Bill helped move us into our home as strangers and quickly became a member of our family. Bill will always have a special place in our hearts. And Charlie will always be reminded of his first best friend, Bill. We love you Bill and know you're drinking all the diet cokes in heaven and making friends with all the dogs. Rest In Peace, Bill. 💙

“ *For as long as I've known him, he was always there to help. My children do not remember life without Bill and Margaret. Not being blood related didn't effect our love for them. He was a great man and will always be missed and remembered.*
