“ grew up next door to Bill from age 4.....remained friends thru all the years...it was always the 3 of us, Bill, Giff and I..many memories we shared. We all miss him, he was one of my oldest friends. Never gave much thought about this happening, guess after Nam, figured that we were invincible, this serves as a wake up call that we are not.....God be with all Bill's family and friends during this....Shelby had said it best....that he may be gone, but will never be forgotten, he will always be in our hearts
