

William Kosarch, Jr.

May 27, 1951 - August 19, 2021

William Kosarch, Jr., was born and raised in Gary, IN on May 27, 1951, passing away peacefully on August 19, 2021. He was preceded in death by his loving parents, William, Sr. and Anne Kosarch. Bill attended grade school at Holy Angels and graduated from Horace Mann High School in Gary. His two favorite sporting activities in high school, in which he excelled, were wrestling and as a shot putter. His education continued at Indiana University, graduating with a bachelor's degree in journalism and communications. While at I.U., he worked as an editor and reporter on the college's newspaper.

While employed in the steel mills of Northwest Indiana, he also served as a grievance supervisor or shop steward protecting workers' rights and making them aware of their work responsibilities. He was known to be a strong union supporter. With regard to government affairs, he cared for his city of birth dearly, attending and participating in Gary City Council meetings.

Finally, he found the work that he loved the most: broadcasting.

For decades, he was a broadcaster for WLTH radio in Gary. "The Bill K Report". In his later years, his program was aired on Mondays, from 10 a.m. to noon, talking on a wide range of topics, from local government issues to international events and concerns. He would never introduce subject matter without doing extensive and intensive research to verify that the information he was presenting was factually correct and clearly stated. Bill also cared for

children, encouraging their educational growth and development in making the future a better place for everyone. He felt that registering to vote and being well informed are the starting points of a strong and vibrant democracy. Bill, know that we love you and miss you. To the world, Bill, you are and remain a precious gift from Heaven. “ *Bill has always inspired me and encouraged me to do my civic duty in fighting for the rights of the people who are underserved in our community. Thank you in caring so much for the less fortunate and in helping to make life better for the downtrodden and forgotten. May your efforts continue to inspire people to advance your righteous cause. To a dear friend, you will be in our thoughts and prayers, always.*
