“ Our heart is grieving with the loss of our dear friend Bill. He came to us as a neighbor in Saugatuck on quickly became family to us and our lab Cameo. We spent many a nights after work on the front porch chatting with Bill and Carol. He was like a father to me as I lost mine at age 20. His love for animals and gift of stories always made us laugh and you could not ask for a better neighbor. We will deeply miss our phone calls and pray for a peaceful heart for Carol , Mia and all other friends and family. We truly loved this man.
