Tribute Wall

“ As a young child I eagerly watched out the window, waiting to see the car pull into the driveway. I would rush out to greet Grandpa & Grandma with big hugs and kisses! I can still hear Grandma's voice saying "Melissa, your getting so big and more beautiful every day!" I remember visiting one winter and she took me to the clothing store where she worked and was so proud to show me around the store and introduce me to everyone.

She would make sure I was all bundled up before I went out to play in the snow and would tuck me in and kiss me goodnight.

Even after I grew up I still would be so anxious to see her face and hear her say my name.

I will miss Grandma so much and miss hearing her sweet voice!! I love you, Grandma!! Rest sweet angel!!
