“ Zack had a maturity about him beyond his years. He was a friendly gentle soul. He was always helping his Grandpa Randy in the garage or on the boat. I always saw his happy face mowing lawns in the neighborhood. Doug and I send our condolences to the family of Zack. We pray for healing and peace in the coming days.

“ That boy made my day every time I seen him!! From bringing me munchkins for me when him and grandpa Randy came to the car wash to getting so excited when I gave him candy. As the years went by I stopped getting my munchkins but he still got the candy. I got something much more then the dunkin donuts...I got a great friend and wonderful stories and a great conversation instead! I will miss him so much!!! He always knew how to make me smile no matter what my day was like!!
