“ We found out yesterday of your dad's funeral at George's aunts funeral yesterday who passed away the day of your dad's funeral. We are so sorry to hear this. We knew your parents. We sent them a Christmas card last year that was returned. We did not know where your parents where. We would have been there if we had know for both of your parents when they passed away. You can be very proud of them. We pray for all of you, George and Ann Bachur
